Fractional AI Automation Specialist

PROPOSAL FOR [redacted] | FEBRUARY 2026

Seiichi Tanaka | AI Automation & Trading Specialist
5-10 hrs/week | Long-term Engagement | UK-friendly schedule

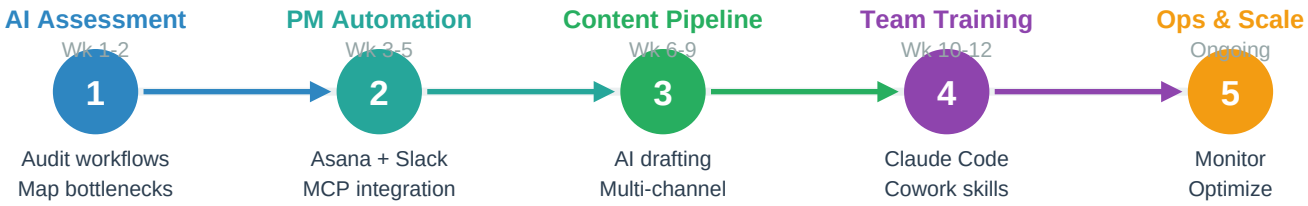
I build AI automation workflows every day. Claude Code + Cowork + VS Code = my daily toolkit.

Track Record

15+	5 AI	20+	2 yr
MCP Server Integrations	Orchestration System	React/PWA Apps Built	AI Dev Experience

Daily Toolkit

5-Phase Implementation



Practitioner

I use Claude Code, Cowork & VS Code daily. Recommendations from real production experience.

CEO Communication

Complex tech translated into clear business outcomes. No jargon, just results.

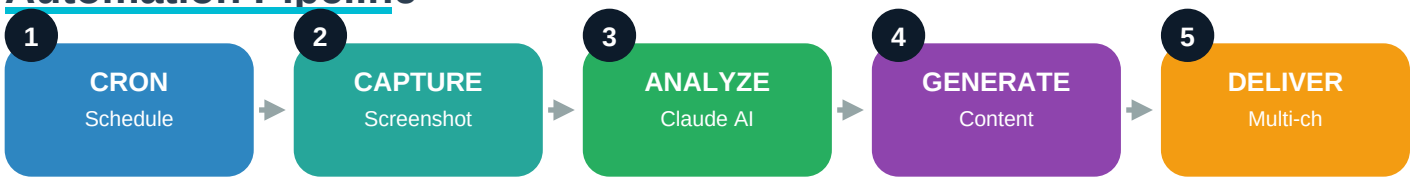
Quick Wins

Measurable improvements in week 2. Build toward comprehensive AI strategy long-term.

Scale Ready

Start with Asana/Slack automation, expand to content pipelines, then company-wide AI.

Automation Pipeline



5AI Orchestration System
