Technical Stack

Pine Script Indicators
12 published on TradingView (679+ boosts) — QQE system: 64% win rate

Backtesting Pipelines
vectorbt, backtrader, custom Python — walk-forward validated

5AI Orchestration
Claude + GPT-4 + Gemini + Grok + Manus — multi-model signal validation

6-Phase Approach

01 Scope → 02 Data → 03 Features → 04 Model → 05 Backtest → 06 Verdict

Ready to deliver an honest, rigorous assessment.

Let's discuss your edge discovery goals.
